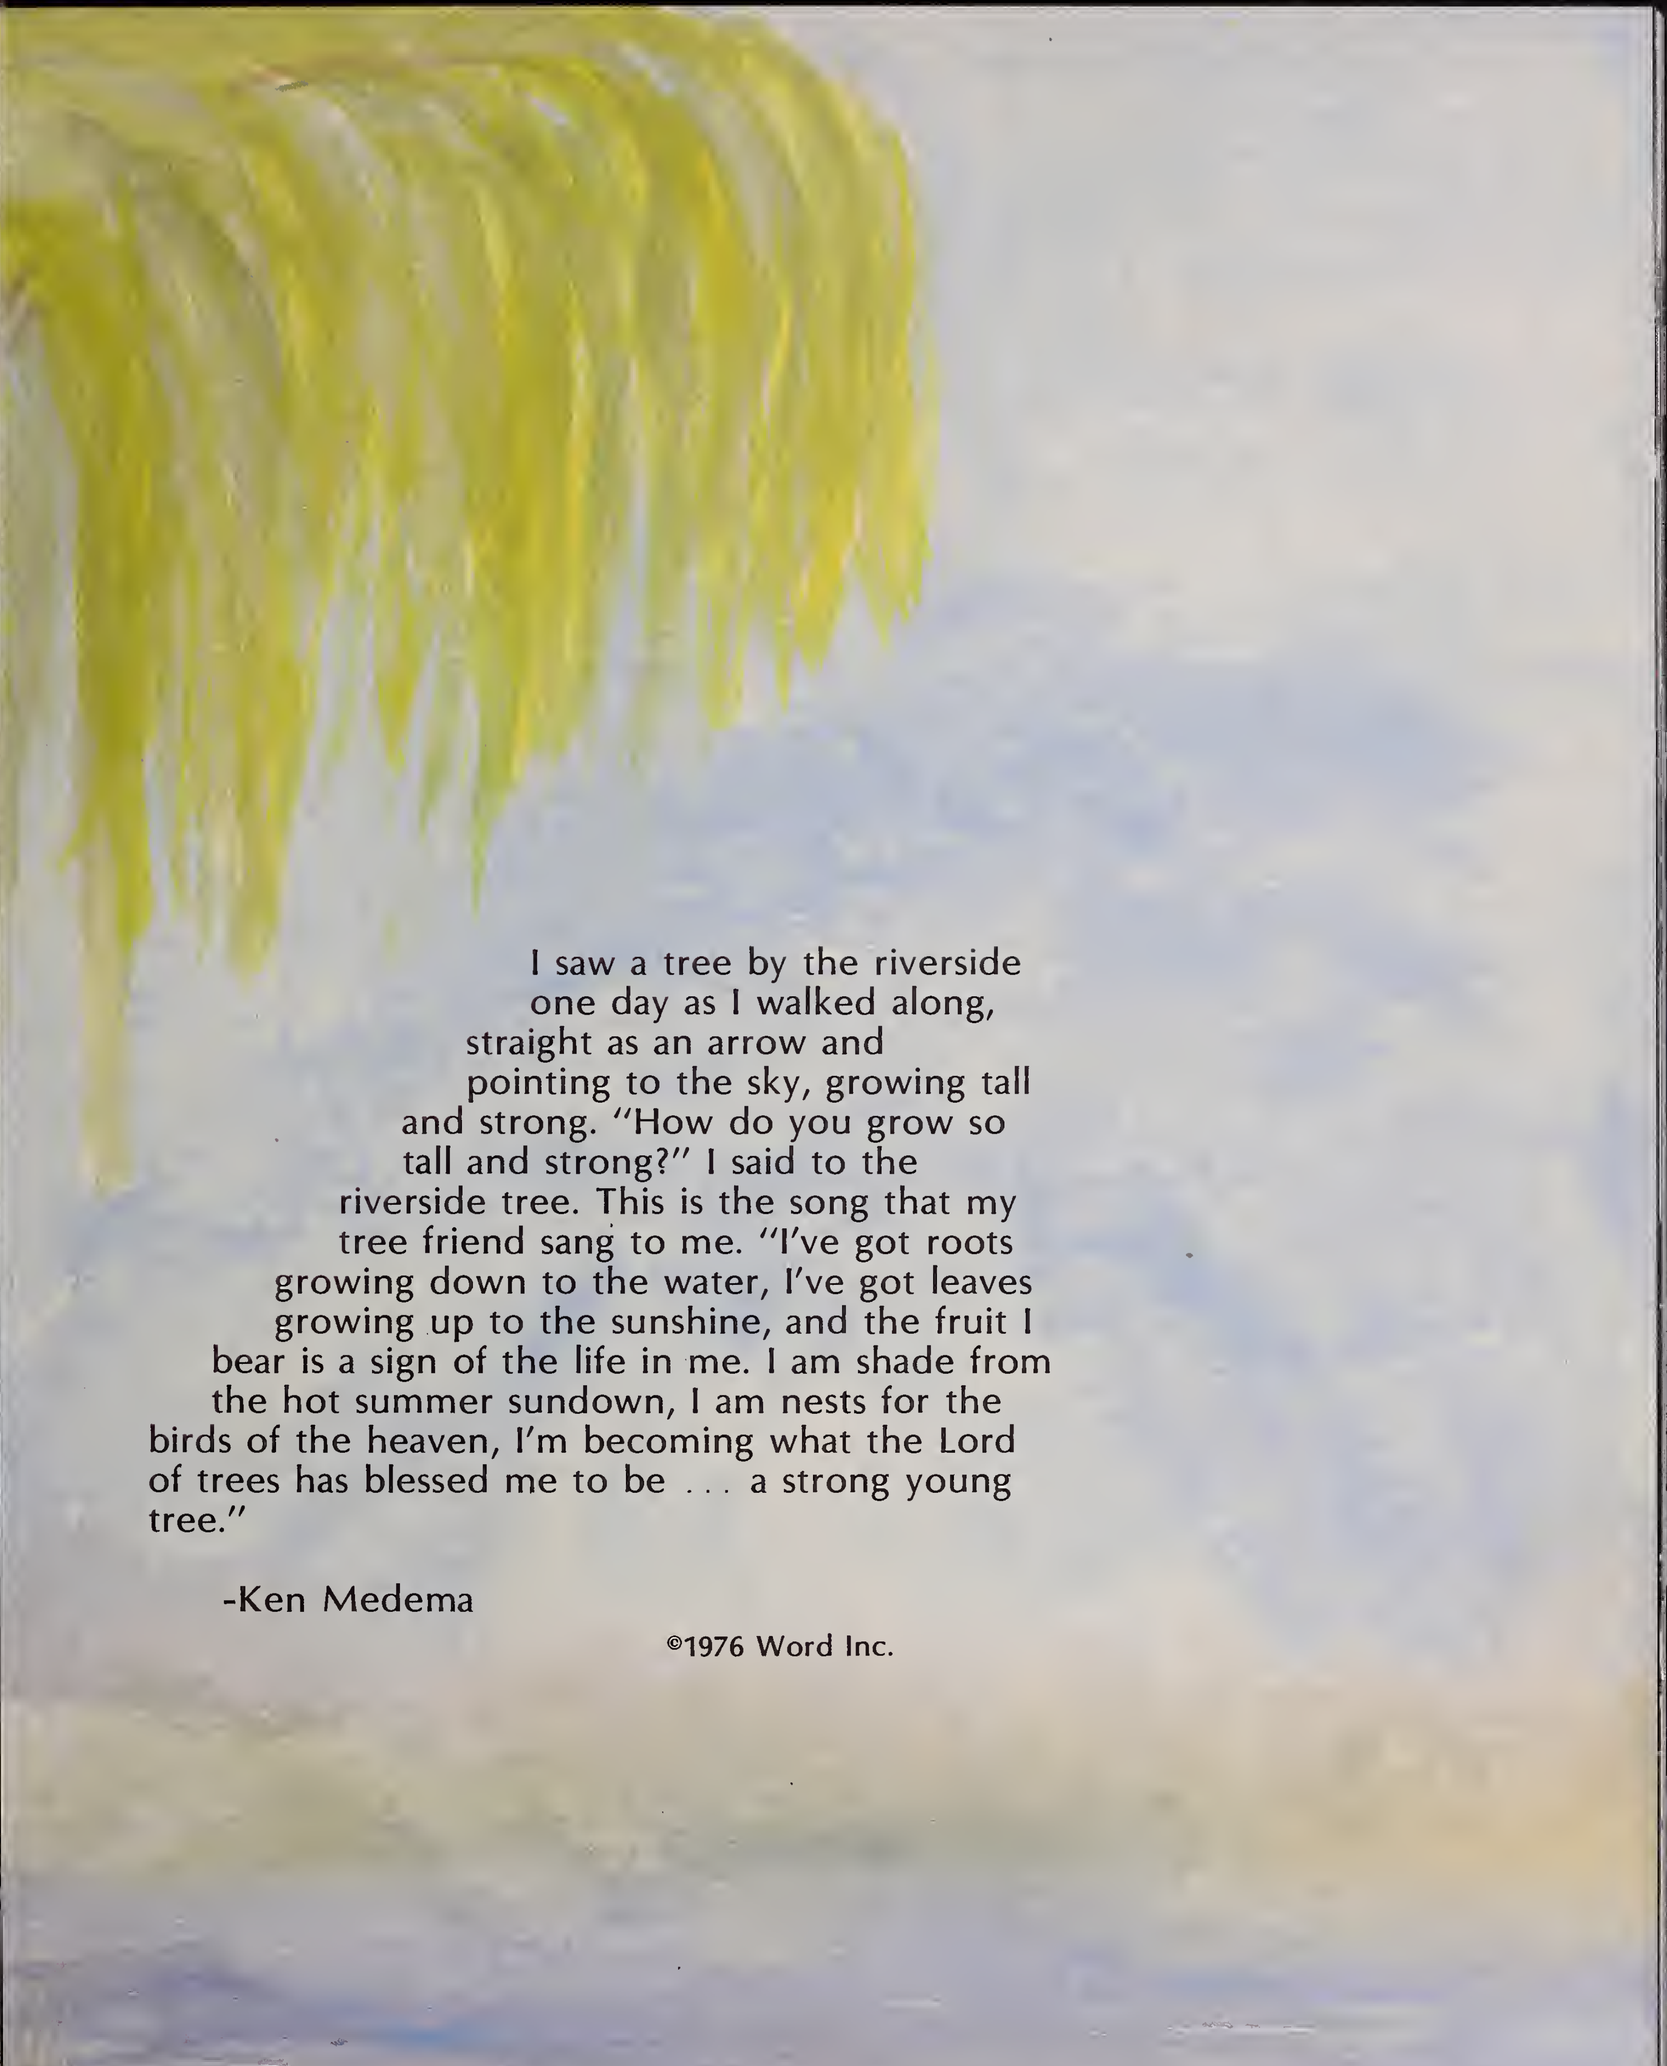
NAUTILUS 1978



I saw a tree by the riverside
one day as I walked along,
straight as an arrow and
pointing to the sky, growing tall
and strong. "How do you grow so
tall and strong?" I said to the
riverside tree. This is the song that my
tree friend sang to me. "I've got roots
growing down to the water, I've got leaves
growing up to the sunshine, and the fruit I
bear is a sign of the life in me. I am shade from
the hot summer sundown, I am nests for the
birds of the heaven, I'm becoming what the Lord
of trees has blessed me to be . . . a strong young
tree."

Returning To School For Some . . .

It's great to be back.

How was your summer?

What courses are you taking this semester?

For Others A FRESH. Start . . .

I think I'm really going to like it here.

Well, it's O.K. I guess. I have to get used to it.

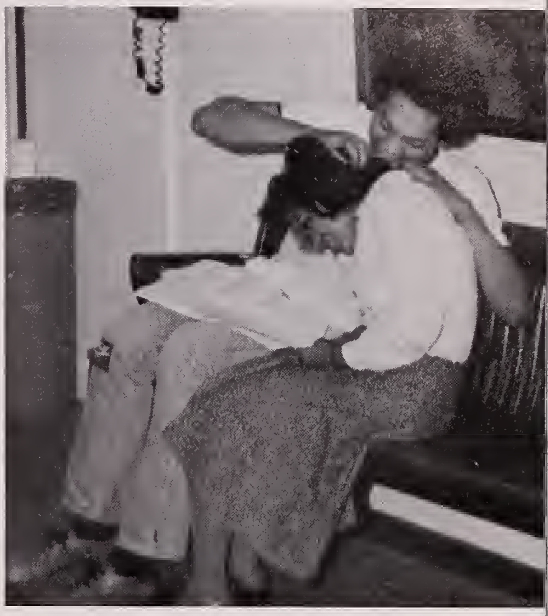
Registration

It's a pain in the neck.

Waiting in line is a waste of my valuable time.

It's one day off of classes.

Re-Orientation



It's exciting to start out with all the new goals of not procrastinating and doing term papers early and keeping my room straight and getting up for breakfast.

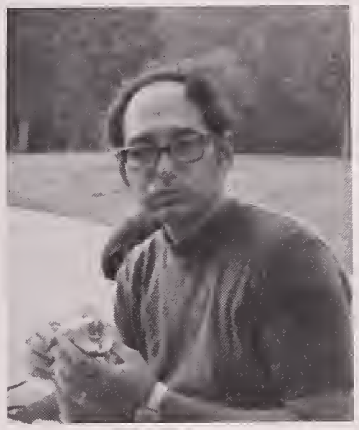
The All-College Outing . . .

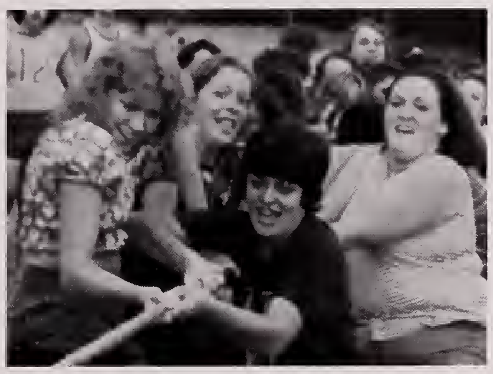
Stonelake Away!!

It is really the first opportunity that the Student Body has to fellowship together as a whole.

It is a time of meeting new friends and getting reacquainted with old friends.

. . . A Place To Relax And Have Some Fun.





Here goes . . . another!!!

So Let's Get Involved . . .

Somewhere
Somehow
Sometime.

I think the best time to get involved is freshman or sophomore year.

Getting students involved is like banging your head against a stone wall.

Societies

I haven't done anthing in my society, I don't have time.

I like society sports because there's not as much pressure as varsity.

Societies . . .
Where people interact. Where people interact on the social, competitive and the religious level. Where people gather together to have fun and to grow.

ZETAS: Council elections postponed until Monday, May 8. If interested in running for office please contact Steve Ames, Cathy Akeley, or submit name to box 122 by FRIDAY. Please help support your society. We need you!
KAPPAS: Anyone interested in running for next year's Council please contact Jane Harris, box 373, or Debbie Stroman by FRIDAY.
DELTA: Cheerleaders please return old & new skirts, old sweaters, and pom-poms to Munro 330 by FRIDAY, May 5. Thank you.
SIGMAS: - Vote for next year's Council this FRIDAY from 9:00 a.m. to 5:00 p.m.
- YOUR BODIES are needed to run/jog/walk in the last cross-country meet at 3:30 today. EVERY BODY counts!
- Sigma T-shirts available on Friday for $3.50. Get yours while they last.

This year, I don't think we met this challenge. It was evidenced on the campus, there was definitely a lack of involvement. I hope the future will include more involvement

Earl G. Lee

Native of New Bedford, Massachusetts; graduate of astern Nazarene College, Quincy, Massachusetts, class of 40 with a B.A. Degree. Granted the Doctor of Divinity rary Degree in 1971, by Pasadena College, Pasadena, nia.

ed in Maine and New York before assuming mis- ponsibilities in India, 1946 to 1959. teaching position as Bible School instructor to tors and also superintendent. For a year pas- in South India at Kodaikanal where mission- and children of other foreign personnel send en for schooling.

1960, assumed the pastorate at Nampa, Idaho First rch of the Nazarene. In a six year period the church membership increased nearly 50% to a membership of over 800. A new sanctuary was built seating over 1200.

In 1966, Mr. Lee accepted an invitation to Pasadena First Church and in the eleven years unusual growth has taken place. The membership has more than tripled to now over 1700. The Sunday School has an average attendance of 1230. It has been necessary to have two worship services as well as two sessions for Sunday School. The Sunday evening services average well over 900 which usually means an over-crowded sanctuary. Because of the apparent inadequacy of the present plant to cover the rapid growth, Pasadena First Church purchased several acres of land on which to construct a plant sufficient to house the growing ministries, involving $7,000,000 which is being planned to complete totally debt free. The reported total giving of the church for the year 1976-77 was $1,174,202. The church also has pastors for children, youth, senior adults, music, outreach evangelism, as well as singles.

Love divine, all loves excelling, Joy of heav'n, to earth come down!
Fix in us Thy humble dwelling; All Thy faithful mercies crown.
Jesus, Thou art all compassion; Pure unbounded love Thou art.
Visit us with Thy salvation; Enter ev'ry trembling heart.

Breathe, oh, breathe Thy loving Spirit Into ev'ry troubled breast!
Let us all in Thee inherit; Let us find that second rest.
Take away our bent to sinning; Alpha and Omega be.
End of faith, as its Beginning, Set our hearts at liberty.

Come Almighty to Deliver; Let us all Thy life receive.
Suddenly return, and never, Nevermore Thy temples leave.
Thee we would be always blessing, Serve Thee as Thy hosts above,
Pray, and praise Thee without ceasing, Glory in Thy perfect love.

Finish then Thy new creation; Pure and spotless let us be.
Let us see Thy great salvation, Perfectly restored in Thee;
Changed from glory into glory, Till in heav'n we take our place,
Till we cast our crowns before Thee, Lost in wonder, love, and praise.

Chapels

I think chapel is a learning experience.

It's a good break from your classes to relax.

I wish they weren't compulsory.

If chapels are going to be compulsory they should all be worth going to.

I use my chapel cards to write out my schedule.

For the most part chapels are O.K.

The Manifold Experiences Of The Various Travel Seminars Offered Students Excitement And Challenges, As Well As New Insights And Knowledge.

"I went to the woods because I wished to live deliberately, to front only the essential facts of life, and see if I could not learn what it had to teach, and not, when I came to die, discover that I had not lived."
Thoreau.

The August '77 trip to Europe discovered the lifestyles of various historical figures in theology and psychology as they formulated their theories. The early 20th Century Vienna of Freud, the Reformation Switzerland of Calvin and Zwingli, and its 20th Century counterpart as seen by Jung, the World War II Germany of Bonhoeffer as exemplified by the ovens of Dachau.

Memories of hikes in the Alps, the castles and music of Bavaria, the stark reality of East Berlin, the frustration of a broken-down van and campsites ranging from parking lots to mountaintops from a lasting impression of the diversity of modern Europe.

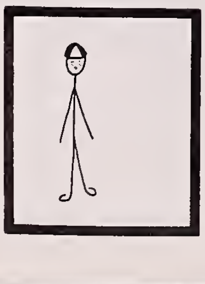
Freshman Class Songs

Class of '78 (to the tune of "Found a Peanut")
I'm a Freshman, I'm a Freshman,
I'm as lonely as can be,
I am homesick for my mommy,
Why am I at E.N.C.?

Class of '79 (to the tune of "You are my Sunshine")
I am a Freshman a Stupid Freshman,
my clothes are dirty, I am a wreck.
Please upperclassmen, go tell my mommy
to come and take me back.



Class of '80 (to the tune of "I am a Yankee Doodle Dandy")
I'm a dippy little Freshman,
my clothes are wrecked, I'm all confused.
I can't sleep right without my teddy bear,
The food here is awfully hard to chew.
I miss my mommy's hugs and kisses,
I miss the way she ties my shoes..
If you think that I am kiddin' just go ask
my roomate, he/she is a dippy Freshman too.

Class of '81 (to the tune of "Take me out to the Ball Game")
Take me back to my mommy, take me back to my home,
I don't like living here anymore, my clothes are wrecked
and my roomate's a bore. And I'm scared of all upperclassmen
they're so grown up and mature ... so, it's 1, 2, 3,
days, I'm gone, take me home once more.

An all talented kazoo band with members Jan Simonson, Steve and Sue Gunnerson, Janie Graves, Sue Watkins and Joan Jury provided many laughs and much fun and ended up with a big gong for their trouble. It was evening with many laughs as the faculty and staff let loose and showed us their true personalities. As everyone knows "No one expects the Spanish Inquisition." Bob Hubbard showed us a little Elvis, we got him though, Randy Calhoun did the honors with a shaving cream pie. Ray Buckley showed the audience just how Jim Copple conducts his classes, while Gypsy Joe Rapalje, Zsa Zsa Janes, and Daper Dan Gresham provided the final say on each act. It was a night enjoyed by all, especially Jim Copple and his brilliant defense and release for his trial as a heretic.

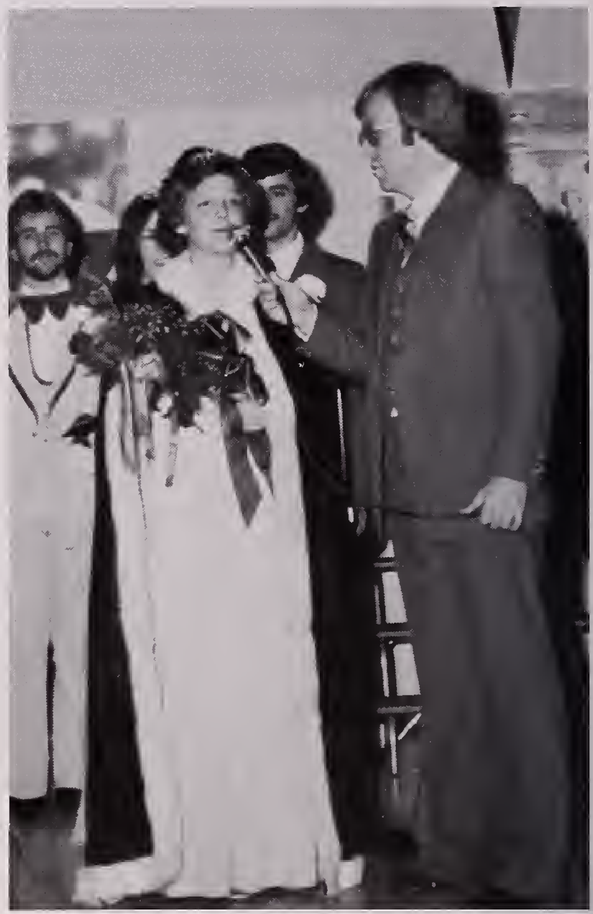
Homecoming Events



"Dreaming the impossible Dream" didn't prove impossible for Colleen Belle who was crowned ENC's Homecoming Queen on October 14, 1977. The Homecoming festivities included a smorgasbord, buffet dinner; arts & crafts display; many varsity sports; and, of course, the crowning of the queen.

ENC'S Women

There is a lot to do here if you want to, take advantage of the opportunities. This year, there has been Floor Parties, Bible Studies, Women's Workshops, intramural sports, and dinners.

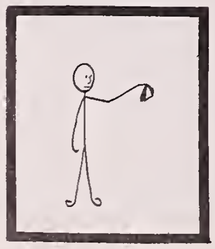
I think they are worthwhile and help us better ourselves and our self image.

It's kind of neat to do stuff without worrying about being watched by the guys.

ENC's Men

There is not much organized activity on campus. Most of it is "sports" oriented; varsity, society, and individual.

I think the things to do here are too soft. If better activities were planned then there would be more interest.



We like to do pranks.

Some favorite pranks were firecrackers, pennying doors, trash cans full of water against a closed door, and water balloons.

It's fun to do things without girls. In late evening we usually got together for some pranks or to go out somewhere like Eddie's Diner or Bickford's. Sometimes we would get together and watch Johnny Carson or Saturday Night Live.

CROSS COUNTRY

See how they ran

Cross-country is perhaps the least known sport at ENC; however, Coach Jerald McCloy's team has made progress this year that may change this situation in the future. The all-underclassmen squad consisting of Webb Corbin, Doug Hardy, Diane Mattmueller, Mike Mello, Glenn Mitchell, Rich Schnorbus, Tim Shetler, Dave Troxler, Tim Wege, and Tim Woodbridge compiled a 3-9 record during the 1977 season. The year could accurately be called a building year, as it was the first year for all except Mello and Woodbridge.

Great improvement was made by several runners. The best time was recorded by Tim Woodbridge with a time of 26:36 over the five mile ENC course. This is only twelve seconds off the ENC record set by Glenn Fell in 1975. Woodbridge was definitely the outstanding runner for the college, placing first in four out of nine meets. The second best time was by Glen Mitchell, who clocked 27:22 at Gordon. Tim Shetler, and Corbin each broke the 30 minute mark over the five mile course.

— Connie Underwood

Practice began for these runners on Labor Day, and within a week they were running ten to thirteen miles a day, six days a week. Unlike other sports where a coach can vary skills to hold his players intensity, a cross-country runner can only improve his skills by running, and it takes a considerable amount of determination to continue training despite the monotony. Since cross-country training is a year long process, the ENC Track Club has been formed. Anyone interested in joining should contact Tim Woodbridge.

Soccer: Directed by former Crusader star Stafford Frederick, this years team finished with a 3-9-2 record. After three victories in their first five games, the Crusaders lost eight in a row. Five of those losses were by only one goal.

Goalie David Wilfong completed his outstanding career giving up an average of only two goals per game for the season and placing on the NCCAA All-District team. Joining David on the All-District squad was junior Tim LaLone, whose hustling offensive play tied him for the team leadership in total points with twelve including a four goal game against St. Francis. Tied with Tim for team total point leadership and leading the team in goals scored with seven were junior George Stinson and freshman Bob Hooper.

In the tense moments it is a captain's responsibility to call upon her team to give 110% effort, and to settle for nothing less than the best.

This year I was proud to be part of a team so responsive and willing to give their best, whether it be for me, themselves, Coach Detwiler, or for our fantastic fans. We just never ran out of reasons for winning. Thanks "ladies" Thank you ENC.

Coach, Nancy Detwiler

In my experience as a volleyball player, I've come to recognize and appreciate the value of excellence in a coach. It is the coaches job to take the rough skills and abilities of the individuals in order to refine, mold, and harden them into a team. For this reason, a team bears the mark of it's coach. No set of individuals can become a team without direction. In rhythm a coach and team will rise and fall as one member, since, each is an extension of the other.

After a slow start . . .

CRUSADERS PEAK WITH KING'S WIN

Coach Ron Bradley's Crusaders came off the 1976-77 season with a record of 20-6. They had lost just one player to graduation. The returning 1977-78 squad were young, but experienced. Five players had seen two year's of varsity play. Much was expected of the Crusader team. They had to defend their NCCAA District I Crown, as well as live up to ENC's winning tradition at King's Tournament.

The season opener against U-Mass Boston was a true heart breaker as helpless fans watched a respectable lead dwindle with questionable referee calls. But the crusaders bounced back from the first season loss to win the next four games. Hope was running high for a very successful season. But the competition of such schools as Suffolk University, Roger Williams and New Hampshire College proved to be their undoing. Even in these three losses, the Crusaders only lost by a combined total of 16 points.

The season continued to have its close calls. Participating in the Nazarene Tournament, the Crusader squad came within one point of a possible 1st place, as the lost to NNC 84-85 in the 1st round. ENC went on to defeat the remainder of the participants. Rival King's College got the better of the Crusaders during the regular season, as they dropped both games. But after such a disappointing beginning, the 77-78 team came through with flying colors, as the season drew to a close, winning six out of the seven games.

The Crusaders displayed some of the best plays of the season while defending ENC's first place at King's Tournament. They defeated Nyack 82-49, and Messiah 91-73, in the opening round action. The final game ENC was pitted against arch-rival King's College. Here, answering previous losses, the Crusaders decisively defeated them 65-49 to take 1st place.

The Crusaders returned to King's the following week to successfully defend their NCCAA District Crown with a 72-64 win. One game away from the National NCCAA play-offs in Tennessee, ENC faced Geneva College in Eastern Regional play. Mirroring regular season play, the Crusaders were robbed of victory 81-85 in the final minutes of the game.

The 17-10 record compiled in the '78 season does not adequately reflect the determination, hard work and caliber of play, the Crusaders displayed. But hope lives on for the Crusaders, for an improved '79 season record.

WATERSTON PARKING
LOCKED

At the beginning it was beautiful, but then it hit us, just what it all meant. A state of emergency was called and no one was permitted to be on the streets. The news reports were unbelievable, Rte. 128 was clogged with abandoned cars and completely impassable. We heard of tragedies and distruction not too far away. The only thing we could hear was an occasional helicopter going overhead. Clean-up operations were soon underway ... "Where do we put it all??"

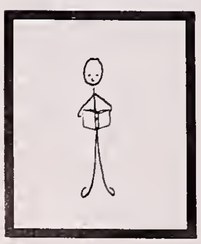
Caterpillar

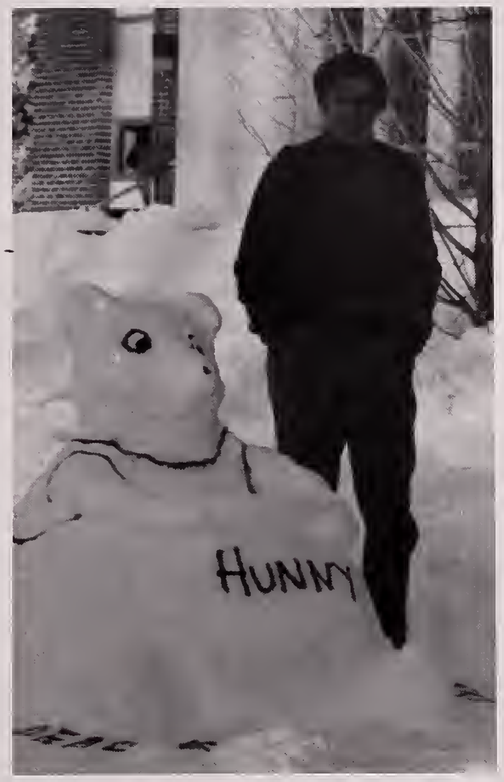
The storm gave us all time to sit back and marvel at the power in nature.

Saturday, Sunday, Monday . . .

For the first time in nearly a week we could walk on earth rather than snow. But, It wasn't long before the beautiful white blanket became dark with dirt and soot.



. . . A Whole Week!!



To keep from going crazy being cooped up for a week, we built snow sculptures. Students sculpted masterpieces from the fluffy snow. Winnie the Pooh won for the judging, but we all were rewarded by our works of art.

"Victorian A Strain" Reaches Epidemic Proportions

The big storm wasn't our only setback to beginning second semester. The flu struck not only our students, but other college coeds in the Boston area as well. Termed the "Victorian A Strain," the flu affected those people between the ages of fifteen and thirty. The Civil Defense came to our aid with zillions of aspirin, thermometers and cough syrup.

The authorities told us not to attend class if we had any symptoms - runny nose, sore throat, cough, fever, etc.- and as the absentee rate climbed, the flu reached epidemic proportions. We had to cancel all large group meetings - even chapel and prayer meeting. R.A.s were busy, to say the least, writing food tray slips, taking temperatures, and keeping their floors quiet. Profs showed much sympathy and did their best to keep course loads light. Fred was afraid he'd never reclaim all the trays, glasses, and utensils that left the cafeteria during this time. Within two weeks things were pretty much back to normal - but it was a rough way to start a semester.

WINNING IS THEIR GAME

HARVARD

44
24

In the 1976-77 season, The Crusader women's basketball team saw only two losses, their first and last games. They had achieved such wins as a 1st place in the WCIA Tournament and 3rd place in MAIAW State Tournament. Such a good season is hard to repeat especially losing two starters, Jean Macchi and leading scorer Reggie Gomes. But not only did they repeat it, the '78 squad bettered it. The spots in line-up were more than adequately filled by freshmen Kristi Kottis and Lois Malvesti, which were added to such seasoned veterans as senior Donna Fandel and sophomores, Janet Ranstrom and Cindy Tozzi. The team was rounded out by and excellent bench consisting of 6th man Nanette Baumgartner, Maureen Mulcahy, Laurie Weir, Myrna Fuller, Cynthia Wilson and Pam Smith. This bench not only added strength to the team's floor action but provided much of the moral support that any team must have to be a winner.

Regardless of size, the women's varsity team powerfully defeated every school which they came up against. Harvard, MIT, and SMU saw defeat along with the smaller foes of Barrington and King's. With relentless skilled play, combined with excellent teamwork and the superb coaching of Don Constantine, the Crusaderettes compiled one of the best records ever at 16-1, undefeated in regular season play. As one newspaper described them, "Anyway you want it, the ENC women's basketball team will give it to you . . . slow patterned action or fast, wide-open action up and down the court."

Winning was the goal from the very beginning, but never did winning become commonplace, as the Crusaderettes faced each foe with equal determination and spirit. The season was highlighted by wins against Harvard 76-58, and SMU 70-59.

The only disappointment came in post-season tournament action as a flu-stricken squad lost the semi-final game and their WCIA Crown to Messiah College by 6 points. Lois Malvesti, one of a few healthy members was named to the All-Tournie team for her excellent performance. The 1st place acquired at the State Tournament as well as promises of a home-court rematch next year buffered this only defeat of the year.

Much luck is extended to next year's squad as they attempt to continue the winning tradition the 1977-78 ENC women's team has established.

STATES CLIMAX SUPERB SEASON

The MAIAW State Tournament at Lowell University was the culmination of a very successful season for the ENC's women varsity team. Seeded NO. 1, they went out and captured the Division II title, providing a display of exciting basketball.

In the first round action, the Crusaderettes defeated Smith College 65-50, senior Donna Fandel accumulated 15 points and 15 rebounds to lead the team in both areas.

The second game was enough to fray anyone's nerves. Facing Assumption College, the ENC Crusaderettes lost a early lead. Coming back to the second half with a 22-28 deficit, the ENC team fought to come back, finally tieing it up with 4:23 to go. With 29 seconds left, the game was still deadlocked at 58 a piece. Lois Malvesti sunk two pressure foul shots and Nanette Baumgartner completed a steal at the buzzer to provide ENC a 62-58 win and an advance in the tournament. No other game or "the thrill of victory" compared. Kristi Kottis led scoring with 22 points.

The final game pitted the Crusaderettes against Fitchburg State, a previous ENC victim. Using board strength to initiate fast breaks the ENC women went on to defeat Fitchburg again to take the State Crown, a fitting conclusion to a tremendous season!

A WEATHER-BEATEN SEASON

Unlike other sports activities, and the mailman, Baseball cannot endure the hardships of weather. The ENC Baseball team arrived home from the Florida Spring training games to face a field still covered up by the remains of the Winter storms. With hard work, and much effort, the mounds of snow were removed. Only, however, to have 13 of 23 regularly scheduled games cancelled by rain. The Baseball team, which had much potential, never had the chance to better their 4-6-"13" record.

Women's Softball Club 1st Year

DAILY BULLETIN - THURSDAY, MARCH 9, 1978

ATTENTION WOMEN SOFTBALL PLAYERS: Anyone interested in trying out for E.N.C.'s first Women's Softball Club, which will be playing an intercollegiate schedule this spring, please meet in the Fishbowl at 10:30 on Friday morning. Announcements will be made, and individuals will be asked to sign up for particular positions preferred. Attendance will reflect interest, so if it is impossible to attend, please see Donna Brickley.

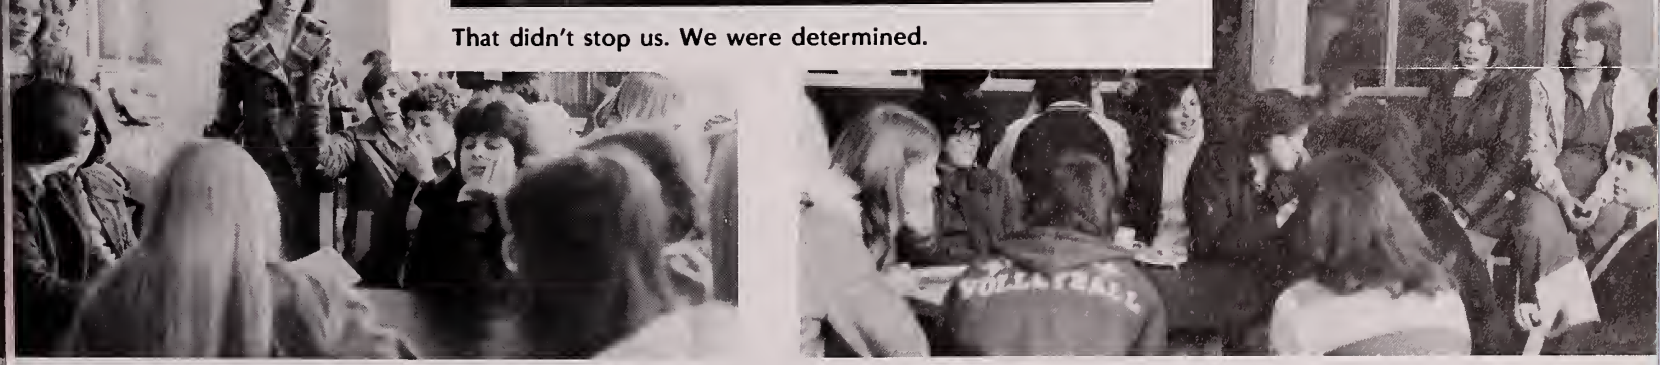
Approximately twenty-five girls contacted Donna or came to that meeting

We had able leaders and players but the field was buried under tons of snow

Dale Whitman, Coach

That didn't stop us. We were determined.

Donna Brickley, Captain



practiced in the gym right up until the day before our first game April 26th.

A fractured finger made Whitling a fan. Another difficulty was securing the field for practice.

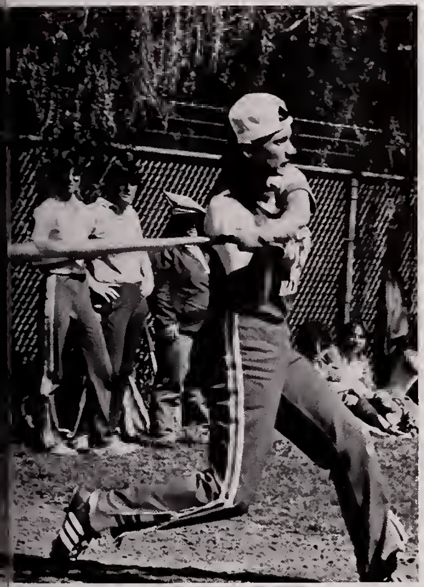
Among many humorous situations, we had an "away" practice when an away game with Gordon found them also away.

With strong batting and good fielding we did well as a first-year club.

Flo and Cindy led us with fine pitching.

We had fun and made friends.

There were tense moments.



Is it all over?

Junior — Senior Day Chapel — April 28, 1978

OUR SPECIAL

The beginning of the end. A windy day, caps, gowns, tassels, and a class song. Ron Bradley's "Ten minutes with Mel Tillis" became a sincere testimony of God's love. Class charges challenged future senior classes to stress Christian commitment in light of an uncertain future. A time for members of the Class of 1978 to reflect on the accomplishments of four years and the prospects for the future. But then, after searching the past and the future, we returned to the present. Junior-Senior Day was a day of good fun with good friends.

... later that evening ...

The
Junior — Senior
Banquet
Copley Plaza
"Our Special Spring"

everything is

Dressed in beautiful gowns and tuxes, we mingled and conversed with our friends in one of Boston's finest hotels. The music provided by Judi Cochran and "Mickey and Becki" was meaningful and entertaining. Acknowledgements were made to the Senior Class Council and to Trish O'Rourke and Mike Schutz who were chosen as Outstanding Seniors. Altogether the entertainment, setting and the chance to share with special people created an evening to remember.

Our bodies have many parts, but the many parts make up only one body when they are all put together.

In Memory

The Lord is my light and my salvation;
Whom shall I fear? The Lord is the
strength of my life; of
whom shall I be afraid? Psalm 27:1

For I am persuaded that
neither death, nor life, nor angels,
nor principalities, nor powers,
nor things present, nor things to come,
nor height, nor depth, nor any other creature,
shall be able to separate us
from the Love of God
which is in, Christ Jesus
Our Lord. Romans 8:38,39

EXCERPTS FROM THE JOURNAL OF A NAUTILUS EDITOR

Nov 15, 1977	I'm afraid to make decisions for the seniors — I don't know what they want and it seems that what I want is not very often what they want. I think it is sick how much this book is valued. It will cost over $14,000.00. It's unbelievable. I think there are more important and less selfish ways to spend money.
Dec 5, 1977	I feel like I'm not doing all that I should be doing. All I've done is think and iron out hassles.
Feb 28, 1978	I feel so alone at this job, no one cares about the work but me.
Mar 2, 1978	I turned in 32 pages!!! all the seniors, and color pages. I think they are good and I feel so relieved. Got to catch up on studies.
Mar 13, 1978	I'm working here alone . . . I'm excited about this book . . . I think it will be the best ever.
Mar 13, 1978	The seniors are having it really tough financially . . . I'm going to check and see if we could give them a break from raising the money for senior color.
Mar 21, 1978	Somehow I think I could do this job much easier with what I've learned. I wish I could do it over, but I don't think I want to bear it all again.
Jun 8, 1978	Most of the work, now, I have to do alone. I finally got a glimpse of the end. P.T.L. I get afraid that no body will like it . . . I think I'll go away for a while when it comes out.
Jun 15, 1978	As I think back, I can see that there were a lot of students that contributed to this book. Thankyou Myrna Fuller for keeping the business matters stable. Thankyou Bob Murphy, Dean Helfrich, Dave Stryker, Jim Copple, Mark Hurd, and my Family for the personal support and encouragement.
Jun 26, 1978	This is the last page to go in. Thank You Lord for answered prayers . . . Love, Linda

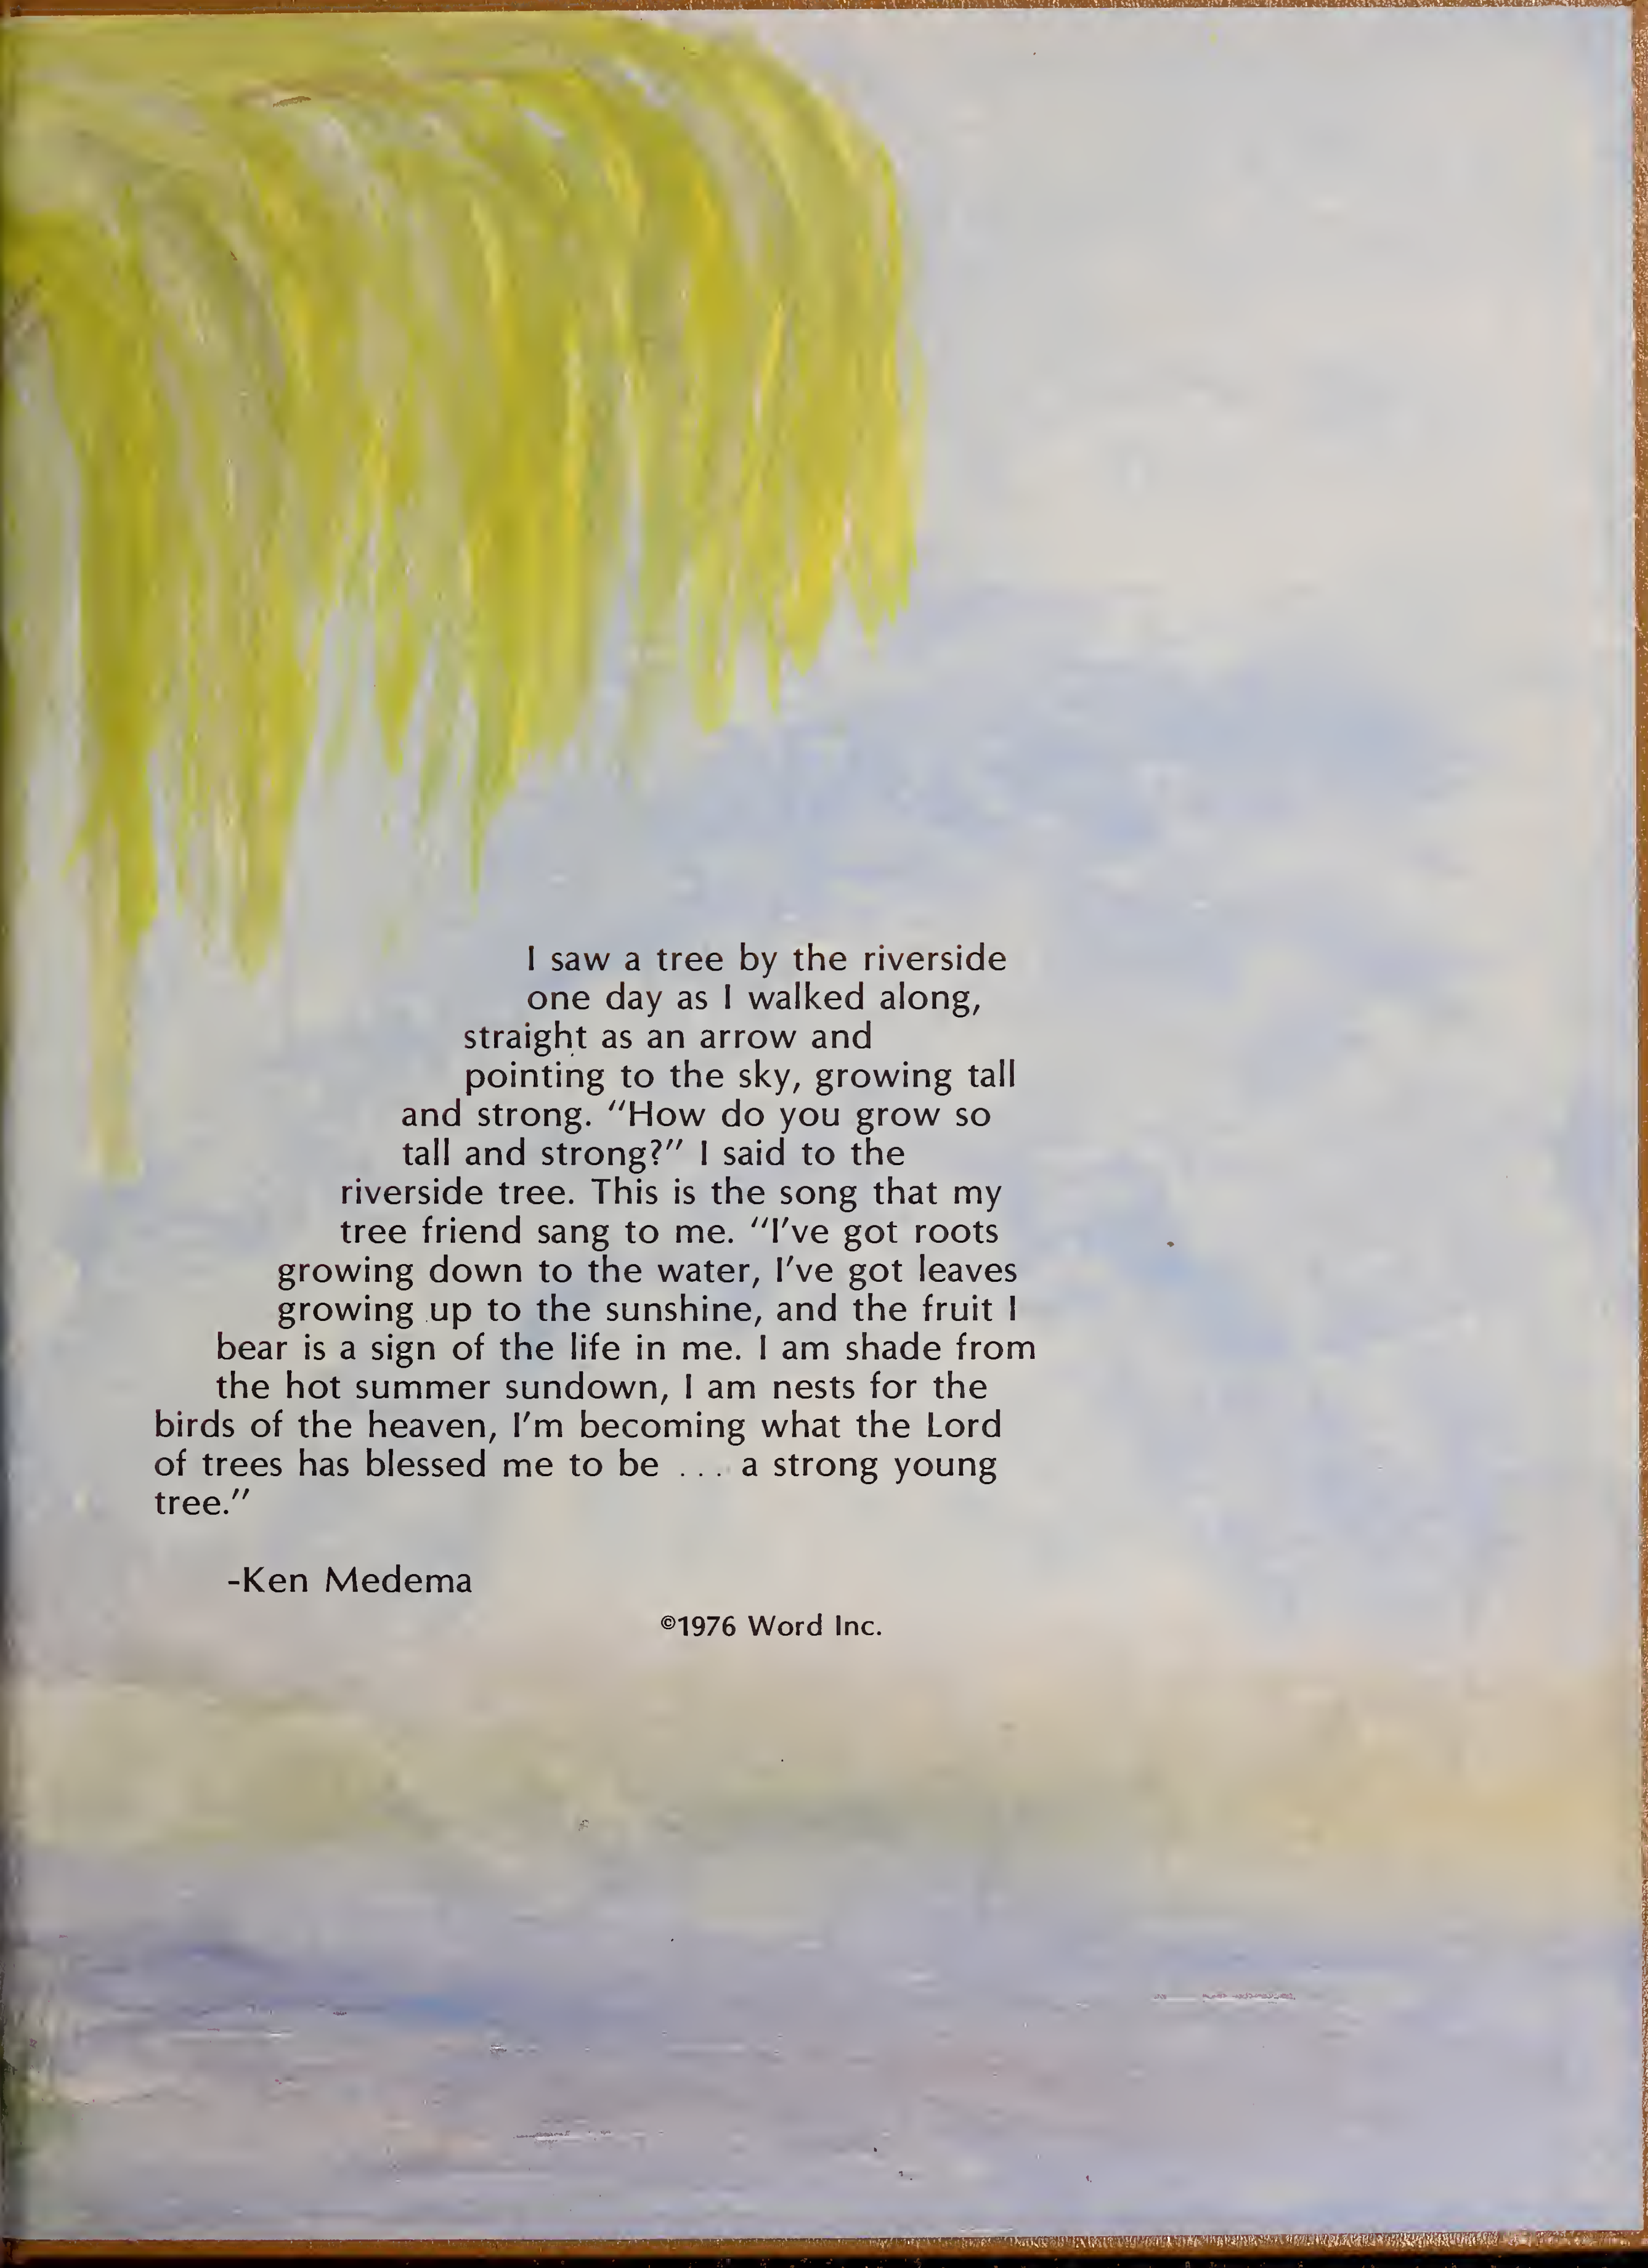
Friendship

You have brought some beauty
to my life
you know,
or did you know that you have brought some beauty
to my life?
We have shared a smile, a tear,
and now I know which way to go,
for you have brought some beauty
to my life.
I have not been blind to all the beauties of the earth,
but most of all I'm blessed to call you FRIEND.
God has touched my life in how you care for me,
and now I see
that God has brought this beauty
to my life.

— Sonny Salsbury



I saw a tree by the riverside
one day as I walked along,
straight as an arrow and
pointing to the sky, growing tall
and strong. "How do you grow so
tall and strong?" I said to the
riverside tree. This is the song that my
tree friend sang to me. "I've got roots
growing down to the water, I've got leaves
growing up to the sunshine, and the fruit I
bear is a sign of the life in me. I am shade from
the hot summer sundown, I am nests for the
birds of the heaven, I'm becoming what the Lord
of trees has blessed me to be . . . a strong young
tree."
